MAKE YOUR OWN CURRYCHIWA!

Currychiwa literally means 'hello, curry'. Street food straight from Tokyo made out of rice and a tasty, unique Japanese curry sauce filled with carrots and potatoes.

It offers all the flavours of Japanese cuisine: sweet, sour, salty, bitter and umami. And we have made it entirely vegan, but you can add chicken, beef, fish or extra veggies if you like. Oh, did we mention that you can make it as spicy as you want?
